Hello,

Thank you for the conference last week. We learned quite a lot of really useful information and look forward to getting started! Also, thank you for your time after the conference ended to discuss our application. As I mentioned, the last communication I had with TMHP I was told that they had everything they needed from us and they were just waiting on someone from the State to sign our application. Our Kintana # 5856039. I appreciate anything you could do to assist us in getting this wrapped up. Please feel free to contact me either by email or phone at the number listed below. Thank you!
